3. Round table in Inverness

Topic 1

Presentations of the PathogenCombat workshop in Gent 'New tools for Food Safety Management Systems (FSMS) in the Agri-Food Chain'

The presentations and workshop material are now available on the PathogenCombat homepage, [here](#)

Topic 2

ISO certification of Pittas Dairy Industries

We are happy to announce that our SME partner Pittas Dairy Industries from Cyprus has now become ISO 22000 certified by assistance of partner EBTE consultants, Greece:

Topic 3

The presentations, results and pictures of the PathogenCombat round table discussion in Inverness on Food Safety on Farm Level are now available.

We are happy to present the results of a round table discussion focusing on food safety in the primary production. The event took place at the Scottish Agricultural College (SAC) in Inverness, Scotland, on 9. September 2009. The topics comprised, amongst others: Food Safety Management in primary production, science and technology for pathogen-free broilers, etc.

You can access the material on the PathogenCombat homepage, [here](#).
